About Pendulum

The Pendulum New Music concert series, now in its 18th season, presents some of CU's best performers from all departments, premiering original music of our CU composers. Pendulum takes its name from the Colorado Centennial Foucault Pendulum at CU's Duane Physical Laboratory. The pendulum iconifies the series' mission to swing through all aesthetic directions in the music of our time.

Wednesdays at 7:30 p.m.

Free admission, reception following
Every concert also features a faculty or guest performance.

Visit cu-pendulum.com for concert photos, videos, and blogs. Live streaming for Grusin Hall events at livestream.com/cubouldermusic
