Program notes

The Pendulum New Music concert series, now in its 19th season, presents some of CU's best performers from all departments, premiering original music of our CU composers. Pendulum takes its name from the Colorado Centennial Foucault Pendulum at CU Boulder's Duane Physical Laboratory. The pendulum iconifies the series' mission to swing through all aesthetic directions in the music of our time. Visit cu-pendulum.com for concert photos, videos and blogs.

Live stream available for Grusin Hall events at cupresents.org.
