## About Pendulum

The Pendulum New Music concert series, now in its 17th season, presents some of CU's best performers from all departments, premiering original music of our CU composers. Pendulum takes its name from the Colorado Centennial Foucault Pendulum at CU's Duane Physical Laboratory. The pendulum iconifies the series' mission to swing through all aesthetic directions in the music of our time.

## The Pendulum Committee

**Hsing-ay Hsu** Artistic Director and Primary Coach
